GATEWAY CUP

LABOR DAY WEEKEND
SPONSORSHIP OPPORTUNITIES

Every summer, St. Louis, Missouri hosts the final chapter in American pro/am bicycle racing, THE GATEWAY CUP. This perennial favorite features the most exciting amateur and professional cyclists from around the United States converging on St. Louis for four days of adrenaline racing over Labor Day Weekend.

For the third time in its thirty year history ALL FOUR DAYS of The Gateway Cup have been added to the prestigious USA Cycling Pro Road Tour (PRT) calendar, the premier professionally sanctioned criterium racing series in North America. The Gateway Cup takes place in the heart of four St. Louis City neighborhoods- Lafayette Square, St. Louis Hills- Francis Park, the Italian Hill Neighborhood and historic Benton Park. Within each of these host communities, the race course is defined by an approximately one mile lap known as a “criterium.” This Americanized style of racing appeals to both athletes and spectators alike as the peloton, or pack of cyclists, passes by every few minutes at impressive speeds, holding lines only inches apart from one another. Spectators can watch the race unfold lap after lap and hear our commentators announce race strategy and rev up the crowd, creating a better understanding and involvement with the events.

The Gateway Cup features five or six successive races each day based on ability, ranging from beginner to the pros. Each day is punctuated by the featured events, the Men’s and Women’s Professional Races. In these races, the nation’s top professional and Olympic cyclists will hurl themselves around corners averaging 30 mph towards a dramatic, thrilling sprint finish. We guarantee inspiration.

THE GATEWAY CUP features a number of exciting events.

- **The Gateway Cup PRT Men’s and Women’s Pro Races** - 4 days of Professional racing showcasing the speed and skill to the top athletes in the United States.
- **The Gateway Cup Kids Races** - Each day Big Brothers Big Sisters and the Gateway Cup will stage children’s racing sharing the same finish line as the pros.
- **The Gateway Cup Juniors Races** - 4 days of racing for boys and girls ages 10-18
- **Four unique St. Louis Neighborhood Expos** featuring the businesses and restaurants that define the four host communities.

All eyes are on St. Louis each Labor Day Weekend as the Gateway Cup kicks into gear. The Gateway Cup showcases a free world class sporting that takes place in heart of four of St. Louis’ best neighborhoods. We invite your company or brand to become part of our story.
