Caravan Procedures

General

- Race officials oversee the caravan as well as the race. Their instructions will be the final authority.
- Each caravan vehicle will be provided with a radio. Drivers will be instructed as to which channel to use at the pre-race morning meeting. Driver check-in call will precede each start.
- The Gateway Cup will be providing neutral wheel support through Big Shark Bicycle Company in the pit area. Neutral Support will be managed by Matt Grothoff.
- Due to the nature of our rolling enclosure and neutral support- there will be no vehicles, other than official race, support, VIP, and media in the caravan.
- Riders needing assistance from neutral support must proceed to the pit area. Riders may never ride backwards on the course.
- Caravan sequences will be Pace Car, Race Lead Moto, Peloton, Official Moto(s), Media Moto, VIP Vehicle.

The Gateway Cup will be controlled using a combination of hard closure and rolling enclosure. The entire main field and peloton will be contained by rolling enclosure. All finish lines will be hard closed. All other areas of the course will be marshaled and controlled by volunteers and police to facilitate residential traffic. Cars will be allowed to cross the course after the "End of Caravan" has passed the access points. Car traffic will only be across the route to designated exits. The lead vehicle will be a Pace Car which will stop all traffic and audibly signal the closure of all access points as the race approaches the designated entry points.

In the event of a breakaway, the breakaway group will be supported by the lead Pace Car, Lead Moto and Official Moto 1. The main field will be supported by Moto 2. Riders falling outside of the rolling enclosure will be allowed to continue racing unless it is decided by the officials that they will impede the finishing sprint.

Now home to many unique shops and restaurants, the Lafayette Square neighborhood is one of the oldest in St. Louis and boasts the city's first public park. Today the St. Louis Hills neighborhood showcases gingerbread bungalows, stately homes and some of the tidiest landscaping in St. Louis. Home to St. Louis cultural and iconic Ted Drewes—our homegrown ice cream oasis. We hope you enjoy the second stop on this Gateway Cup weekend! It is quickly becoming a Gateway Cup staple. St. Louis Hills will be serving up delicious food and cold beverages until 6:00 p.m. Dig in!

Giro Della Montagna

SUNDAY, September 6th

Presented by Volpi Foods

Trailnet will once again be hosting one of their most popular recreational rides around St. Louis City. Be a participant and take part in the Trailnet Giro della Lou Ride and finish the day watching St. Louis' best criterium bike race.

The Giro della Montagna began in 1986 and was the brainchild of life-time Hill resident, Joe Torrisi. With the help of the St. Louis Cyclones the event took a few years to gain some momentum. It was held over the Fourth of July weekend to draw additional racers who were in town for the VP Fair cycling races which were being held downtown the same weekend. The Giro became the cornerstone of the Gateway Cup in 1998 and more recently has been coordinated by Mike Weiss and the Big Shark Cycling team. The Hill is pleased to continue this great relationship and is looking forward to many more years of Giro, Giro, Giro!

1-mile course with the start and Finish in front of St. Ambrose church, From HWY 40/64 or HWY 44, exit Kingshighway south to right on Southwest to Columbia on right. Follow parking signs to the Shaw Community School. PLEASE DO NOT PARK ON THE GRASS OR IN THE ALLEYS.
